

The Rotary Club of Sterling,
Algonkian Regional Park,
The Potomac Heritage Trail Association and
The Office of Supervisor Susan Buckley are sponsoring

-----Algonkian Regional Park and Sugarland Run-----

Cleanup Day

April 10, 2010
9 a.m. to Noon

Meet at the Algonkian Regional Park boat ramp.

Park staff will meet you there to direct you where to go...
...and to hand out trash bags and latex gloves.

THE FINE PRINT: We're going to pick up trash and debris at Algonkian Regional Park along the shore of the Potomac as well as along a one-mile stretch of the Sugarland Run stream. Everyone is welcome to help! While some areas might require hiking, there is plenty of trash at easily accessible locations. Participants are encouraged to wear work clothes and shoes. Feel free to bring work gloves, rakes, shovels and waders to help reach the trash.
